

N Scale Railroading Magazine

Thank you to N Scale Railroading Magazine for allowing us to provide you with the preceding article by Keith Lyons. Informative modeling tips and techniques such as this step-by-step piece about installing the Cornerstone Series® Built-ups Modern 130' Turntable and Modern Roundhouse kit on a layout is just a sampling of the useful articles you'll find in every issue of N Scale Railroading.

N Scale Railroading, the premier magazine of 1/160 Scale model railroading, is published by N Scale modelers, for N Scale modelers. It's available bimonthly at your favorite hobby shop.

Here's what you'll find in each issue:

- Informative How-To Articles
- Scenery Tips & Techniques
- Step-by-Step Kitbashing Projects
- N Scale Modeling from the Prototype
- Railfan-Style All-Color Photo Tours of Great Layouts
- Product Improvements & Upgrade Ideas
- Timely Photos of the Latest N Scale Products
- "N Horizons" — Advance Coverage of Upcoming N Scale Products
