More Exciting News on the all-New *Hiawatha*...

On time, the *Twin Cities Hiawatha* eases to a stop in downtown Milwaukee. Building a 1955 train is easy with 10 all-new cars that include the classic Super Dome and "...Rapids" series Skytop Lounge.

And you can power your *Hiawatha* just like the Milwaukee, with upgraded PROTO 2000™ EMD E7A Diesels! Painted and lettered to match

the cars, A-A sets and single A Units will be available with sound and DCC or as standard DC versions, each with different numbers.

Hiawatha excitement begins in November 2007 with the arrival of the #498 Series 52-Seat Coach, followed by a new car each month — but here's more exciting news! We're offering special money-saving

packages on complete sets, great prices on Walther's 75th Anniversary structures, and FREE accessories when you order now!

For complete details on the amazing new *Hiawatha* and accessories, ask for your FREE brochure at your local hobby shop, or visit us online at walthers.com.
