

EVANS 50' HIGH-ROOF BOXCAR

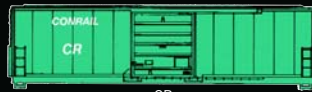

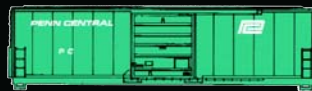

HO SCALE

PROTO FASTFACTS™

In Service: 1970s-present

Constructed in 1972 by Evans Products subsidiary U.S. Railway Equipment, these 70-ton cars feature 10' doors for easy loading by forklift, and the highest roof allowable under the Plate C clearance diagram to maximize cubic capacity. They're favorites for high-value shipments of manufactured goods and paper rolls.

Undecorated single car also available

Single Car \$9.98 Each
Limited-Run Two-Pack \$19.98 Each
 November 2007 Delivery

- 3 Numbers for Each Scheme
- Ready to Run
