WHAT'S INSIDE

WELCOME

The HO Car UP Fans Asked For! pg 4

Cornerstone® City Apartment Building pg 5

At the start of this special time of year, we're truly thankful for your support of Walthers! You'll find plenty of ideas for the busy modeling times ahead, including the newest products, great gift ideas and much, much more in this Walthers Flyer.

Find supplies and ideas for your railroad with a copy of the new 2013 HO Reference Book. A must for library or workbench, they're in stock and shipping now – read more on page 31.

Strike up the band! Walthers is now a proud sponsor of the Minneapolis-based Choo Choo Bob Show (a fun railroad-themed program for kids), and will be bringing Choo Choo Bob and the Holy Smokestacks Revue, the live band from the show, to Milwaukee's Trainfest®! See page 10 for more!

It's the car UP fans have been asking for — as-delivered versions of the ACF Observation Dome Lounges that once graced the famed City Streamliners! Read more about these WalthersProto™ HO releases on page 4 in this issue!

Bigger is better on modern railroads and with cars like the Walthers Bi-Level Auto Carriers and Cryogenic Reefers, modeling them in HO is a snap! Check out these latest freight car releases starting on page 4.

Redevelop an empty spot into a detailed city scene with the Parking Garage and City Apartment Building, our newest HO Cornerstone kits. See page 5 in this issue.

Holiday hobby shopping is fast and easy with the extra large Gift Guide in this issue that starts on page 11 — and be sure to make your own wish list at walthers.com so family and friends know just what you want this year!

Find out more about these new models at walthers.com, by calling us at 1-800-487-2467 or visit your participating hobby shop to reserve any new product in this issue.

Happy Modeling!

Phil Walther

HOME FOR THE HOLIDAYS!

Shoppers in search of the perfect gift, families choosing Christmas trees, skiers off to the slopes, new cars rolling to dealers, snowplows clearing streets, trucks delivering toys – it's Christmastime on Main Street! Celebrate the season by adding a festive feel to your layout or create a holiday village. Start with the items listed below or design your own scene with the rolling stock, structures, vehicles, figures and more in this Flyer and at walthers.com.

A Note on Availability

At Walthers, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item you could possibly need in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check walters.com, email us at custserv@walters.com or call our Customer Service Team at 1-800-4-TRAINS. The 'Find It' feature on our website will help you find a Dealer in your area that may still have stock available for the item you desire.

Please know that we appreciate your support of both Walthers and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
