WELCOME

As this special time of year begins, we'd like to thank you for your support of Walthers! And for the coming Holidays, you'll find lots of great gift suggestions in this Walthers Flyer.

Shopping is fast and easy with the Gift Guide starting on page 8, and be sure to check out the toy trains from Melissa & Doug on page 20 for the youngest railroaders in your family.

Perfect for a holiday display or layout, detail an N Scale scene in seconds with four new Cornerstone Series Built-ups structures on page 4. Look for great deals on Steel Works models on pages 48-50 inside too!

Adding color and realism to your freight car fleet is easy with our newest HO WaltherProto and WalthersMainline cars, listed on page 5.

And you'll want to update your library, layout and workbench with copies of Walthers 2012 HO and N&Z Reference Books. See page 7!

Visit walthers.com or call us at 1-800-487-2467 for assistance too. Thanks for joining us and enjoy the November issue! Remember, your participating hobby shop can reserve any new item inside.

Build a Big City Station

A major passenger terminal servicing more than one railroad was common in larger towns or cities where space was limited. And paired with a variety of streamliners, it's an ideal focal point for passenger operations on your railroad. Based on an American prototype, this timeless station can also serve modern-day Amtrak trains or heavyweights from the steam-era.

Find more train stations and passenger cars in this issue and at walthers.com.
