WELCOME

It's back to school time, and you'll want to study every exciting item announced for the first time in this Walther's Flyer!

Picking the right Walther's products for your railroad will be easy with Walther'sProto™, Walther'sMainline™ and Walther'sTrainline®. Read more about how we're streamlining our brands on pages 4 and 9.

Announced at this year's NMRA convention, Walther's is pleased to present the California State Railroad Museum's (CSRM) stunning E9 #6051 in Daylight colors on page 6. Walther's will donate \$10.00 from every one of these engines sold to the Museum! Be sure to read about the new Tsunami® equipped SD45s on page 5 too.

Detail your downtown with the newest Main Street USA models, and keep those trains moving with new rolling stock! Pictures and information start on page 12 in this issue.

Visit walther's.com or call us at 1-800-487-2467 for assistance too. Thanks for joining us and enjoy the September issue! Remember, your participating hobby shop can reserve any new item inside.

Setting the Standard for Excellence.

Superb realism meets railroad-ready. With engines, passenger equipment and freight cars, Walther'sProto builds on the tradition of excellence established by the Proto 2000 Series, Walther's Platinum Line  and Walther's passenger cars. Working directly with railroad historical societies, museums and modeling authorities to obtain the most accurate data possible, each Walther'sProto model is

MAKING RAILROAD HISTORY™
WALTHER'SPROTO™

superbly detailed to  match its prototype.

Locomotives are available with Tsunami® Sound and DCC decoders for added realism and operation. With these and many

other features,  Walther'sProto will please the

most demanding modeler or collector. Look for the first

Walther'sProto releases, the EMD SD45 and the California State Railroad Museum E9A in the Spring of 2012.

Great Model Trains for Every Skill Level.

Picking the right Walther's products for your railroad is about to get easier, with new brands and a growing selection of equipment!

Exquisite details. ProtoMAX™ metal knuckle couplers for reliable performance.
