And much, much more — see a complete list for each road at walthers.com

- 9 New Roadnames
- Completely New Inside & Out
- Available with Sound & DCC* or as Standard DC versions

Sound and DCC-equipped models can be operated on either DC or DCC layouts, and feature authentic model 567 prime mover recordings that include exhaust, improved throttle notching and transition sounds for change in traction motor electrical connection during acceleration, road-specific horn tone to match prototype, bell, squealing brakes, doppler effect, air let off and much more.

- June Delivery

Delivery date shown was accurate at press time, for updates visit walthers.com.
Preproduction models shown, details and colors may vary.
*Union Pacific licensed product.
