Put Some Rush in Your Rush Hour

Who'll be king of the road? Two red-hot Chevy Corvettes® go wheel-to-wheel through a gravity-defying 360° loop, a dangerous intersection, a squeeze track and—look out—a special spin out section where a car actually swerves across both lanes of oncoming traffic! Complete set with two cars, two speed controllers, car tune-up kit, guardrails, UL-listed power pack and more; set up size: 5'9" x 6'9" 1.7 x 2m.
