

WALTHERS™

*Today's Reference...
for Years to Come.*

There's something special about Walther's Reference Books. The smell of ink, the feel of crisp paper. How about the thrill of seeing a must-have item or being inspired to start a new project? Maybe it's the memories of models built in the past.

For decades, Reference Books have brought model railroad plans and dreams to life. With their unique mix of products, photos, modeling tips and more, they're a must-have planning guide today, a great source of research information and a fun look-back in future years.
