Your ‘Must Have’ Resource for Information and Inspiration

For most any model railroad project I work on, I turn to one of the Walthers Reference Books. Walthers Reference Books have been an important resource for me, especially when planning modeling projects. While the Internet is a great tool for finding information, it works best if you already know what you are looking for. With the printed Reference Book, you can easily browse selections of products, which can be great for generating ideas. Many times over the years I’ve started looking for one thing, only to find something better just a few pages away, which ultimately makes a better finished model. The Reference Books are a great modeling tool.”

David Popp, Managing Editor, Model Railroader magazine

For 80 years, Walthers has been committed to the fine tradition of model railroading.

The annual Walthers Reference Book is a ‘must have’ for model railroaders—those with years of experience as well as those just getting started.

Don’t just take our word for it...

“Build your collection for projects you are working on today and in the years to come. New products, new information and some exciting new features including a FREE Pull-Out Wall Calendar!

WALTHERS 2013 REFERENCE BOOKS
$15.98 EACH

Christmas Steam Train Only Set
LGB. Bring home holiday spirit with this colorfully decorated Christmas train. It’s perfect for under the tree or outdoors on your garden railway. Leading the way is an intricately decorated 0-4-0T steam locomotive with working headlight and sound. A Christmas stave car with a large wrapped gift as a load and a beautifully painted passenger car complete the train. Track and power pack sold separately (426-72999 listed below).
426-29400 Christmas Steam Train
Price: $389.98

Christmas Steam Train Starter Set
LGB. Ready to roll around your Christmas tree is this battery-operated set. A steam locomotive leads a tipple car and passenger car around an oval of easy-connect track. There’s even a sticker sheet for individual decoration.
426-90203 Christmas Steam Train
Price: $259.98

Track & Power Supply Set
LGB. Here’s the perfect circle of track for your G Scale train. The set includes a complete track circle and a power pack with controller. Set up the brass rail track, plug in the power, place your train and you’ll be ready to roll.
426-72999 Track & Power Supply Set
Price: $239.98

2012 Christmas Passenger Coach
LGB. Intricately painted model features opening doors and a furnished interior.
426-35074 2012 Christmas Passenger Coach
Price: $199.98

Santa Steam Engine
LGB. Santa waves from the window as this colorful steam locomotive chugs down the tracks. The loco is equipped with a powerful Buhler motor, electronic sound and a steam generator. With its festive decorations this engine makes a wonderful addition to any holiday scene.
426-22211 Santa 0-4-0T
Price: $369.98
